## JOIN US FOR A POWERFUL AND MOVING PROGRAM

### BE INFORMED

Deepen your knowledge of our community's growing needs and Yad Chessed's ongoing, critical response.

### BE INSPIRED

Hear first-hand of the struggles that people in our community face on a daily basis and how you can help.

### BE INVOLVED

Reaffirm the power of community and connect with others who share your passion.

When you are asked in the world to come, "What was your work?" and you answer, "I fed the hungry," you will be told, "This is the gate of Adonai, enter into it, you who have fed the hungry." **Midrash Psalms 118:17**

Yad Chessed, which means “hand of loving kindness,” was founded in 1989 by Bob Housman to help Jewish families and individuals in need. We support clients across Massachusetts by alleviating economic distress and providing ongoing support to help them reach financial stability.

Our mission is to provide emergency financial assistance while working to preserve the dignity of each individual client. The money we provide for basic needs – such as food, clothing, shelter and utilities – gives our clients security and allows them to get back on track.
